unicbrandz

Unicbrandz is a young and dynamic company specializing in importing medical equipment, consumables and medical supplies.

Unicbrandz established as an independent company in 2021 after successful experience started since 2005 as team of sales and distribution professionals working for most respectful medical supplies companies in region.

Our Purpose

Unicbrandz was established in early 2021 by a group of pharmacists and business specialists in management and marketing of medical and pharmaceutical supply products, as well as bringing in a significant diverse of cosmetic, personal and family care products.

Currently we aim to further study local and regional market adding international new brands to expand business horizons and cover this vital sector to fulfill future requirements for state of Kuwait and GCC countries.

Unicbrandz seeks to build unique business relationships with many health governmental and private sectors, in order to offer the medical and pharmaceutical service providers a unique integrated services possible to their community enhancing medical and pharmaceutical sectors with futuristic advanced brands, domestically and at the level of the Arab Gulf countries.

We, in Unicbrandz will focus our attention on diversifying the sources of health and cosmetic care in the next five years to serve all age groups of society among largest possible geographical area.
